During my engineering years at BellSouth, I considered Carl a friend more than a business contact. Always friendly, cheerful, and funny, we sometimes scheduled our coordination of work (BLS-DPC) so that we could have lunch together. I think back on my best times of work life and think of Carl. Gone too early.

Judie, It's incredibly sad about Carl's passing and my heart goes out to you. Just to think that through the evening of laughter and fun times at our reunion last weekend we never once thought about such sorrow that would follow. Our prayers and loving thoughts are with you and for your extended family.
May Gods strong love and loving arms hold you in comfort during these days ahead.

Love, Gayle Warner Dobbs and husband John.

Judy and Family. I'm so saddened to have learned of the passing of Carl. He was such a great guy. I first met Carl (alias Buzz, Buzz-e, Cab) in September 1966 at the South Boulevard office in Charlotte when I started with Duke Power. I worked with and for Carl for many of my 33 years with Duke Power. He was always fun and fair minded during this time, and I even learned a thing or two from him. Again, I'm sorry for your loss.

Judie, we have so many wonderful memories and fun times with you and Carl. We cherish those years that we served the Lord together. We were shocked and saddened to hear this news. Carl's years of unselfish service to the Lord stand out in my mind. On Christ the solid Rock we stand, all other ground is sinking sand. Love, prayers, peace and blessed assurance for his home-going.

Dear Judy and family, we are so sorry to hear of Carl's passing. I had just wished him and you, Judy, safe traveling home Sunday morning at breakfast. I sure enjoyed discussing '60's Mustangs with Carl.

Again, our sincere sympathy to all of you. You are in our thoughts and prayers.

Judie, Todd, Lisa, Kristin and families, you were blessed with an exceptional man and saint of God as your husband and father. Few have the wonderful legacy that Carl has passed down to his family. I know your sorrow is deep . Psalm 34:18 says "The Lord is close to the brokenhearted and saves those who are crushed in spirit." I especially love Isaiah 40:11: "He tends his flock like a shepherd: He gathers the lambs in his arms and carries them close to his heart." There's no better place to be than resting in His arms!! My heart cries out to the Lord to fill you with His peace at this difficult time. Phil and I love you and cherish our memories of years past.

I am so saddened to hear this. I graduated with Judie and Carl from Harding High School and just spent time with them both last weekend. We had lunch at BBQ King on Saturday. I pray that God will comfort all of you and especially Judie thru the days ahead - I know he's been your sweetheart for a very long time as well as our friend.
