I've been thinking so much about you lately. I've been missing you more than ever, life has been a struggle more so with you being gone. It's hard to not be able to turn to you and ask for advice. I love that you come visit me in my dreams, but oh how I long for one of your bear hugs. My heart is still heavy and I fine my self still grieving for losing my best friend. One day, I promise I will finish what we started, as slong as I can get myself and my life together. I know I've let you down lately, and I'm sorry for that but it's just so hard with out your guidence. I love you and miss you more than ever daddy. I hope your resting wonderfully in YOUR paradise.

Hey dad, been thinking a lot about you lately. Missing you so much. So many things have happened since you went away, some you would be proud of some you would not. The family just is not the family anymore and it breaks my heart, I know it would yours too. Just wanted to tell you I miss you very much and love you so much. I still need my dad! The holidays are not the same without you, your laughter. Smooches dad!

I miss you so much... i know if you were here, you would be lovin every little part of my son, James, who is named in your honor. I know deep down, Lil James is a recreation of you, he filled the hole i had in my heart when i lost my bestfriend. I hope and pray that i can teach James just the way you taught me... i love you dad, and thanks for watchin over me. Untill we meet again...

I would like to express my sympathy to the family. I hope you are finding comfort in the time you spent with your dear loved one. Please find comfort in the hope expressed in the Bible at Revelation 21:3,4 where it tells us that mourning, pain, and death will be things of the past. I hope you find comfort in this hope. Feel free to email me to comment or if you have questions. Again, please accept my condolences.##imported-begin##Margaret##imported-end##

Dad, as far as memories go, there are just too many to share. One thing that I will share is that you were a man to be respected with all your strength and wisdom. You taught me many valuable lessons, but I know the shadow that you cast will never be filled by anyone, because there is no one as great or strong as you. I love you Daddy and I'm going to miss you so much. I have learned so much from you and I will use your words to live out the rest of my life and hope that you will continue to guide me where ever my path will lead, I just pray that I can be half the parent to my girls that you are to me!!! You will always be the Wind Beneath My Wings!!!!!!!!!!!!!! Love always, Michele##imported-begin##Michele Bruno##imported-end##
