“ May you find shelter. Shelter in the love and prayers of family and friends. May you find time to rest. Rest in the comfort of warm memories and moments shared. May you find heavenly hope. Hope in the renewal of creation, in beauty and life. May you stay close to Jesus. Jesus, the great redeemer, leading our eyes to eternal skies.

“ Anne was my third cousin. We were so close as children but grew apart as adults. I deeply regret that. We had so many shared times of love and laughter. My prayers are with Shannon and Charles. Linda Cole Mims

“ My wife and I relish the years that we have had a close relationship with Ann and Charlie. She was a delight to know . Our summer home was just down the street from each other for 45 years. We will miss her very much and Express our love for the Roger's family in there loss.

“ Anne was a special sister-in-law that always seemed more like a sister. We talked every few weeks so that we could keep up with what was going on in our lives. Our little talks always lasted two hours or more, She would tell me some of her health issues but nothing that would prepare me for her loss so soon. I'm just shocked and devastated over her passing and will miss her so much.

I love you Charles, Shannon and Brittany and my thoughts and prayers are with you.

“ I have been knowing Ann for many years. Every since our kids were in school, together. We have had some good, long conversations on the phone. It is just like a dream to me. It doesn't seem real that she has passed on to her other life. I am so glad that she didn't suffer and passed on PEACEFULLY, according to Shannon. I lift her and the rest of family up in my Thoughts and Prayers. I love you and I am a phone call away. Margaret

“ Ann was my oldest and dearest friend and I will miss her more than anyone I have ever known. She was a loyal and compassionate friend. I can't believe that she was taken from us so suddenly. However, she and I talked about death recently and we both said that we hoped that our own death would be sudden, so I know that she went the way she wanted to go. That makes it a little easier to accept. My heart is heavy and I will miss our weekly calls where she fussed about the heat and the traffic and we shared our lives together. We laughed together and cried together through the years. She loved her family so much and my life has been so much better for having known and loved her.

Love,
Robin Richburg
