“ My thought and prayers are with you all. I'm very grateful to have known Ms Bev. I truly enjoyed my visits with her and watching her enjoy her chocolate ice cream from Brewsters. She definitely knew how to enjoy life and have fun. Ms. Bev loved her family very much. It made her happy to start her day with Ronnie in the morning. She loved Sheila just like her own daughter. Her life was blessed with a loving family. She will be missed but not forgotten. My deepest sympathy for the entire family.

“ My condolences to Ronnie, family, and friends. Beverly was such a sweet kind hearted little spit fire woman. I am very honored to have known her. Always loved being around her. I remember one time Ronnie had a Christmas party at his house and Beverly was there having a good time. She loved the music that he played and definitely loved dancing. My thoughts and prayers are with you all.

“ Ronnie and Sheila, I'm so so sorry to hear about Beverly's passing. She was such a dear friend who always made me laugh. I'll never forget our trip to Italy, Rome and Greece in 2011. I will miss her wisdom and our policy talks but most of all her friendship.

Love,
Cheryl Butler
