He also was a member of the Cumberland Knights of Columbus Council 586 and the Order of the Alhambra in Cumberland. A long-time employee of Queen City Electric and, more recently, Consolidated Electric, he spent over 40 years as an electrician and an electrical estimator and was a proud 50-year member of the IBEW Local 307.

He is survived by his loving wife of 56 years, Anne Blake; his children, Patrick Blake and wife Krissy, Michael Blake, and Erin Clay and husband David; his grandchildren, Christian Blake and wife Juliette, Caroline Blake, Andrew Blake, David Clay, and Adam Clay; and great-granddaughter, Flora Blake; his brother, William Blake and wife Jean, and sister, Elizabeth Dow and husband Roger and numerous nieces and nephews.

“ If we able to transfuse the character traits of Carl Blake to others, our world would be a better place. His loving relationship with family, his patience and kindness, and his demonstrated care and concern for others will always live in our hearts and our memories. It was an honor and a joy to have known him as a friend and a fellow “hacker”. Rest in peace on that heavenly green.

“ I met Carl a little over 12 years ago. Like many others it was through golf. I remember the first time I played. I didn't know anyone. I'm waiting for a ride and this guy in this green jeep pulls up and introduces himself. I didn't know it than but I had just met just about the nicest guy in the world. A real gentlemen and a guy that never had a bad word to say about anyone. We soon became good friends. Carl and Anne are two of my and Jan's best friends and to say that we will miss him is an understatement.

Goodbye my friend and rest peacefully my friend, you will be sadly missed.

“ I first met Carl and Ann at the SSB festival when we were trying to re-start the South Stand Lions Club. I thought "isn't it nice for this old guy to take his daughter out to visit Surfside Beach!" Of course I was kidding.....Carl and I shared that joke for years. Of course Carl and Ann joined the club and led the effort to get it back to a place of prominence. I will miss him dearly. He was a great Lion and a good friend. Rest in Peace.

“ 5 years ago I was introduced to Carl Blake as a 62 year old kid that wanted to play golf.
Teemaster Carl took me under his wing and introduced me to his golf group. I'll never forget his smile, sense of humor, and easy going nature. I miss him but oh what memories he has given me for the future. Rest easy my friend and know that your allowing me to be a part of your golf group was one of the highlights of my life. One day we'll meet again.

To Anne, I feel like I've known you for ever. Carl was a great man, you and he have a loving family. Be strong, enjoy the memories and God Bless.

“ All the rounds of golf we shared, all the puns you groaned at, the trivia nights, and all the other things we did...these are great memories. You were the consummate gentleman, a truly natural person with no airs, honest, the great leader, a wonderful friend, but you were mostly a super family man. We will miss you so much with your always calming presence. Rest in Peace friend until we meet again. I am sure God smiled when you came home. Prayers for strength in this difficult time to Ann and your family.

“ I would like to add myself as one who was lucky enough to have known Carl. I was a member of Carl's golf group and arriving for the first time I knew no one and didn't even know where to meet but Carl tracked me down and from that first moment you realized that Carl had the exceptional ability to make everyone feel welcome and a part of the group. A truly decent person who will be missed. I wish the best for Anne and family during this time of loss.
