Comments

“ The “original” Shadow fortunately had Cel for morning walks and companionship. I fortunately had Cel’s greeting during those morning walks to start the day on Hickory Drive with friendliness. You were an important part of my life, Cel. Rolling down the car window to say hello as you, Lee Roy, and Marion headed out for lunch. Since you liked to drive, you would often take us the the monthly Hickory Nuts outing. You cooked for your family’s holiday gatherings. You took good care of Lee Roy and your son through their illnesses. You adored your family. To your family, I express my gratitude for sharing you with the rest of us.

“ My thoughts and prayers are with Dot; Celia's sister and you Steve along with the rest of the family during this difficult time. I loved seeing pictures of Celia through the years and the occasional video clip. May God comfort you all and give you strength as you continue on the journey He has for you, until your great family reunion in the Kingdom of God.

“

More than once my Aunt Celia and Uncle Lee Roy would take me to the beach with them on summer vacation. My Dad and she loved the Atlanta Braves. Many a trip we endeavored together to Atlanta. We had many family gatherings that always included their long journeys to and from Alexandria, VA. Retiring to Conway was a blessing for my Dad, Basil. All the siblings have always been so close. You knew truth and reality were spoken with much wisdom. Christian values were always instilled. Steve you are a blessing to so many of us. Your love, compassion and care for your loved ones has been a light to aspire unto. May God continue to strengthen you and give you peace beyond perfect understanding. The love of Jesus Christ be to overflow Amen. Cynthia
