I think of his mom, Sue quite often. I am not surprised by his success in business and I'm sure he has been a wonderful father . He's certainly had good examples to follow. Love and my sincerest condolences to Noel, Todd and Chris's family.

“ Chris was one of the first people I met in Pawleys Island when we purchased our first home here in 2006. He always had a smile and had a calming effect in every situation. We served on a HOA committee together and he was a great resource as well as a trusted friend. He has left us too soon but his spirit and smile will be an indelible mark on our hearts. Our love and prayers go out to his precious family.
