“ Mrs England was always a ray of sunshine. One of my favorite memories of Mrs England was sitting beside her at Legends in concert
She knew the words an sang every song that was sung that night she was laughing and had so much fun. I really enjoyed having her sit by me that night.

“ Such a kind and loving special Lady will surely be missed. Even though we are sad to say goodbye, I can't help but think of the big reunion that's going on right now. For the family I have a poem called Broken Chain. We little knew that morning that God was going to call you name. In life we loved you dearly, in death we do the same. It broke our hearts to lose you, you did not go alone, for part of us went with you, the day God called you home. You left us peaceful memories, your love is still our guide, and though we can not see you, you are always at our side. Our family chain is broken and nothing seems the same, but as God calls us one by one the chain will link again. Sending our love and prayers from the Hardin and Murphy side of the family.
