November 19, 1926 - August 11, 2020

Dorothy “Dot” Boeckler, age 93, passed away peacefully on Tuesday, August 11th at Reflections Assisted Living in Carolina Forest, Myrtle Beach, SC.

She was born November 19th, 1926 in Manlius Center, NY, to Louis and Bernice (Piquet) Ferris. She attended Minoa Central School. She married Clifford Boeckler in 1977 in Cuyler, NY. She was a care provider for the elderly and worked as an ambulance attendant, where she met her loving husband, who had a wonderful knack for solving problems. Dot truly lived life to the fullest through simple pleasures, chatting with friends and family, snacking, and spending time with family. Dot had an uncanny ability to reach people in a deep and positive way.

She is predeceased by the father of her sons, her parents Louis and Bernice (Piquet) Ferris, her siblings Kenneth Troast, Betty (Ferris) Ford and Robert Ferris and sadly her infant son Tommy Leach. She also suffered the tragic loss of two grandchildren, Tracy Leach and Taylor Blevins. Dot is survived by her sons Victor Leach, Keven Enders and Shawn Henry, as well as her “Daughter” (ex-daughter in law) Jackie Bell, nieces, nephews and most of all her beloved grandchildren, great-grandchildren and great-great-grandchildren, who were the light of her life.

A private memorial and celebration of her life will be held at a later date at the home of one of her favorite caregivers and granddaughter Shannon Boyce.

“ DoDo was my Dad's sister. I called her DoDo as long as I can remember. Her and Cliff flew up and stayed with me and my husband for a week. It was an awesome time. We talked on the phone when ever she was able. She never forgot to call on my birthday. I will miss you DoDo
