“ So sorry, Mel and I send our condolences. Remember, Isa 26:19 says, ""Your dead will live. My corpses will rise up. Awake and shout joyfully, You residents in the dust! For your dew is as the dew of the morning, And the earth will let those powerless in death come to life."

“ My memories of my mom are ones that remind me of what a strong, courageous, loving and most importantly faithful woman she was. I will miss her dearly and am so thankful for all the memories I have of how she was the matriarch of our family. She knew exactly how to talk with each one of us and was the best example of how a wife and mother should be. She loved her family and we loved her. I can't wait until we see mom again, it will a joyful time, it's just around the corner. Love you mom!

“ Dottie was a member of the Frederiksted Congregation in the Virgin Islands. She was such a wonderful and happy person. She loved to take pictures. I am almost certain that she has a picture of every member of the congregation in her album. She will surely be missed. The Erysthee family extends our sympathy.

“ Dottie loved her girls so much. I can remember when my nieces were growing up they would puts on skits for their mom and Dottie glowed as she watched them preform. I found some pictures of the girls as they were her pride and joy! My favorite was our family/work vacation to Disney , sweet memories. One thing about memories they are with us forever even thou our loved one has passed on. Dottie fought the fight to the end she was a very strong woman who loved her husband Rich so deeply. May you Rest In Peace until we meet again. Love, Cindy

You would say Kim come on you can do this. You are super strong and have a good heart.
