“ Well honey , I remember the day of us getting married, Big Squeaky sent you out to get a call and you almost bogged down and was almost late to our marriage. The day we meet I knew we would be together as a family, I love you then and more now after 26 years together, I wouldn't never change anything but the last year, we had it the hardest, but our love was still strong but not enough. I really miss you so much and our family at our home on Floyd Page Road.Love and miss you David.

“ David breaks my heart to sit here and write this and think of all the great memories we had. I think most were cars trucks tractors and just plain helping each other. I will surely miss you my friend of at least 30 years. R.I.P

“ My heart aches to learn of David's passing. I taught David in kindergarten, at Waccamaw Elementary. He was such a cute little guy, so, so sweet, and a bit shy. He was loved for sure, by his two sisters, Tina and Dianne, who would come to the class to help at times, and were always there for their little brother, along with his older brother, Junior. I send prayers and love to Mrs. Delores, his dear mother, and to Dianne, Tina, and Junior, along with all of David's family. I am so very sorry for your loss of David.

“ David was so tender-hearted, and I have the fondest memories of him when we were children. Losing him has shook me to my core, and I hope he is sitting on the bench in heaven talking to my Dad and our Grandparents and smiling again. My Dad loved David as if he was his own, and I loved him as a brother (we were cousins). Rest easy, David. We love you and know we will see you again. Sending Prayers for Aunt Dee and Family.

“ Known him since kindergarten. Sixth grade (my fault) we got in a fight. Day or two later he came to me crying. Wanted to be my friend again. We always were. That is David. Gentle heart. Never crossed anyone. Wish I was there for him.

“ David was not only a customer but a friend. I cant even count the times he would come unlock a truck, we had locked the keys in and would not charge a dime. I remember one time he was on his way Christmas shopping and I had a caterpillar 320 stuck and a long reach stuck at the farm and he and the family turned around and drove to Squeakys got rotator and come back in the dark to keep machines from getting water in them and pulled them out. I know he loved his family and was their rock!!!! He will be missed by many and a true man of his word!!!!!!!!!!!!
