

Jim Bindner

March 7, 1958 - January 27, 2019

Jim Bindner: chef, artist, fisherman, musician, businessman and entrepreneur. Father, husband, brother, uncle, and best friend. Though Jim passed away on January 27, 2019, he will live on brightly in the minds and hearts of those who loved him. Jim left no man behind; from feeding the town out of The Gray Man during Hurricane Hugo, to entertaining Pawleys at his fine dining restaurant Ivory's, to becoming ordained so he could marry his friends on their special day, to bringing home an injured stray cat that now naps happily on his porch in the sun, nothing meant more to him than making the lives of those around him just a little bit better. Jim, you made all of our lives so much better just by being here. You fished with us, cooked with us, laughed with us (and at us), and brought out the best in us. You lived life exuberantly, and over the sixty years of your life here in Pawleys Island, taught us to do the same. Everything and everyone you touched will forever carry your unadulterated joy and optimism for the world. Wherever you are now, playing the saxophone and dancing with the contagious energy you never could quite contain, may peace be with you.

Jim's loving family--wife Cindy, daughters Samantha and Mallory, brothers Donnie, Jeff, and Joe, sisters Linda and Roseann, the nieces, nephews, and cousins he cherished, and the five dogs and cats he snuck a bit of each meal to--will miss him every day. We love you, Jim.

Services will be at Precious Blood of Christ Catholic Church on Thursday at 4 pm.

In lieu of flowers, Jim's family is asking for donations to build the Celebration Park he had been diligently working on with the blessing and help of Brookgreen Gardens, Pawleys Island Festival of Music and Art, and the Georgetown County Government. Jim's most recent innovation-in-progress was to create a park where locals could gather to listen to live music, laugh, and reminisce on happy memories of loved ones who had passed. The park will be a representation of his soul: colorful, creative, and carefree. Help us bring Jim's final dream to life by contributing to JB's Celebration Park Inc. 14240 Ocean Hwy. Pawleys Island, SC 29585.

“ Jim was always so much fun. I loved the Christmas performance he put on for his family, friends, and Pawleys Island neighbors each year. I had the honor of playing the Grinch for several of those. It was also good to party with the family each May at the creek house. Fond memories. He will be missed!

“ Dear Cynthia, and Bindner Family,

Jim was a "larger than life" individual, who was always ready to help in difficult situations. Our family had the privilege of knowing him during his time as Manager of the Dunes Club, and we were so disappointed when he left the Club. May Our Lord Comfort Each of You, and Give You Strength, as you face this sorrow, and remember that Jim is now in the Loving Arms of Our Lord and Savior, Jesus, and we will all see him again when we go to our permanent home, which is HEAVEN.

With God's Love and Ours,

Cal and Sheila Cunningham

“ Jim would always take time to get together when we'd come "home". I'm so thankful that he joined Robin and I for a couple of happy hours and lunch at the Rustic Table back in October. You couldn't go anywhere in Pawleys or Litchfield where he wasn't approached by someone. He will truly become legendary. We'll miss you our dear friend. Toby and Robin Little

“ Jim, I will always remember your large personality! Having a quick conversation with you and Keith at Quigleys, talking about the Keys. You were always smiling and happy. Your energy and larger-than-life personality will be missed by all.

“ I met Jim and a couple of his brothers in 1980. Just after Hugo I lost what little had left from the hurricane to a house fire. Jim, along with the help of many God-sent friends threw a benefit at the Gray Man to help me recoup some of what I lost. He was generous with his heart and with his humor. Godspeed Friend...

“ Jim was always a gracious host for out of town family and helped unite his father and siblings in SC. He reached out to my daughter to make her welcome in the area when she went to school at Coastal Carolina. What a great guy that will be missed.

“ My husband and I will miss not seeing you around town, especially at Bistro. Whenever you came in people flocked to talk to you - you were like a magnetic force. You always had a smile on your handsome face and a friendly handshake or hug. It's such a shame that your light won't shine on your many friends again.
