“ One of the most memorable stories I have about Mrs. Hall is when she, Robert and I went on a bungee jump ride at Kings Dominion. Judy was so brave and made me laugh the entire time. Especially when she handed her dentures to Shawn before getting strapped in.

Mrs. Hall was also the luckiest woman I've known. She brightened my day when I had the occasion to sit with her and talk.

“ The class of 1962 Northwestern High School extends their sympathy to Judy's family. Everyone sure enjoyed her visits to the Class Reunions, She will be missed by everyone, here sharing her adventures and her zest for life. I know she really enjoyed watching the Tall Ships parading in Lake Erie.

Shirley Lavery Hall, Ellen Shauberger Carr and the rest of our Classmates.

“ I had the pleasure of being in Judy's company many of times. She was a lot of fun for sure. Last Memorial Day we had a party and Judy stayed after everyone went home. We talked and laughed till after 4 o'clock in the morning. Judy was a very down to earth fun loving person and will be missed. Rest in peace Judy.
