“ You know, Leo, we liked you from the start! You were a fun person and we had some good times. It was a bonus when we found out you were from Norristown. Because the world is so small, you went to high school with my cousins, Dennis Gordon of '67 and his sister Monica Gordon of '66. You and Carole were so lucky to find each other and fall in love. Again, we were lucky to see you and say goodbye at Embrace. I'm sure you took my advice and went with God.

“ My longtime friend from so many years ago. A guy who brought a smile to all just by his presence. I'm trying hard not to be sad that you're not here with us anymore, but trying hard to be happy that you once were. Thank you for so many good times. Thank you for just being you. Your old pal from Plymouth Valley, Jimmy Hoffman Sgt USMC (ret).

“ Dear Carole, My thoughts and prayers are with you at this most difficult time. Leo was such a kind and caring person and although we did not see him these last few months our thoughts and prayers were with you both. May God give you the strength needed to get through this sad time. I will be gone for a few weeks but will be just a computer button away for now and available to listen when I get back.
