“ This is a tough day saying goodbye to Lenny. Sympathy to his immediate family and his siblings. We rambled the playgrounds of St. Agnes our first 8 years, playing football, kickball, basketball, everything. Him and I were always team captains and would alternate picking players. Competitive, but real easy to like and laugh with. I could go on, but I think i should pause and just say a prayer. I will miss you.

“ I am so saddened by the loss of my friend and cousin. Lennie and I went to school together from K through 12th and I have so many memories growing up that he was a part of. As we got older, we stayed in touch and we were always able to pick up right where we left off. I never heard him say a bad word about anyone. I will miss his laugh, smile, twinkle in his eye and his greeting of Hi Cuz!. My thought and prayers go out to Sandy, Katie, Beth and Matt. You were his heart. May your memories bring you comfort. Love Diane

“ My heartfelt sympathy to the family for the loss of Lenny.

I am blessed to have known Lenny and the Leljedals since my first days at St. Agnes. He was an amazing compassionate friend. We played tennis with the crew at SCI and anywhere else we could get on a court. He always had a smile and hug to make you feel better.

I know he will live on in our memories because he had such a positive impact on so many of our lives. Sending my thoughts and prayers to the Leljedal family. Maureen

“ I want to say how deeply saddened I was to see that Len had passed. I was his Hair Stylist in Towanda. Such a wonderful, handsome young man. A gentle Soul. Yet, Happy to know he has a wife and children and living in SC. Close to the Beach. I also knew his Mother, lovely woman. Seeing his handsome face again, cleft in his chin, twinkle in his eyes, just touched my soul today. Bless you all during this time. Know how many lives he has touched and how he will be missed.

“ To Sandy, your children and the entire Leljedal family,  
Between the wiffle ball games in Jack and Dot's backyard, "500" ball games in our side yard, touch football in the street and just being lucky enough to have lived on Mechanic St during the 60's and 70's, there are too many fond memories of Lenny to share in this post. I think that Lenny is now in heaven with his Mom and Dad, most likely enjoying some pizza from Mungie's in the Valley! Our thoughts and prayers are with you in this time of loss.

“ This is very sad news. I coached Lenny in basketball at Towanda High School. I loved that team. They all grew up to be outstanding men and citizens. Life has taught me there are no “ordinary moments” and moments spent with Lenny and his teammates were some of my best. Rest In Peace Lenny.

“ This memory comes from one of the mothers of Lennie's buddies. it always hurts in a special place when a friend of your son dies. Always too soon, and not the way it should go. Lenny always was a positive boy, young man, nice guy. And that kind of a person will always be missed. Rest in peace, Lenny. And heart felt sympathy to all his family. Mary Alice Demangone

“ I had the good fortune to share many wonderful memories with Lennie growing up in Towanda. He was a close comrade and great tennis enthusiast. We spent our summers playing tennis almost every day. We went on to share our early lives together at our weddings, and as time moved forward, we raised our children, provided for our families, and fell out of touch at times, but we would always and easily pick up where we left off.

My children can repeat the many stories with Lennie and our crew that we often laughed about from our youthful adventures. Lennie did have quite the sense of humor and although no one ever claimed it from our close neat group of friends, I do believe that Lennie was the chief instigator of putting in white letters on the back of my black wedding shoes “Help Me”. It drew a wave of laughter when we kneeled on the altar that day. I will miss you my old friend and pass along our deep sympathies to your beautiful family.

“ Len was a very good friend since '76, when my family relocated to Towanda. He introduced me to Scott Hild, John Demangone, Guy Pardoe, and Jerry Regan, for which I am grateful. The six of us spent many a day slapping tennis balls at the SCI, and on some occasions chopping ice from the courts to get a jump on spring. We attended Mansfield together, where we were able to again team as a doubles duo. Fortunate that our new distance apart was only 40 miles at first, our friendship continued strong after school, golf outings, barbecues, watching our families grow. We always enjoyed reminiscing, and he'd always destroy me at 'Name That Tune' sessions, as we'd try to wake old brain cells to pull out various artists, song titles, first lines, etc. Having three older siblings really paid off there. I will remember him as a really good friend who had your back, a real upbeat guy, and the owner of the best overhead smash ever. He will be missed. Our prayers and hearts go out to wife Sandy, daughters Katie, Godchild Beth, and son Matt.

“ Childhood pal, thankfully reconnected in the past few years, My grandmother loved all the Mechanic St Lejedal's, especially Lenny, so many fond memories, always smiling, always a kind word or deed, never heard an unkind word from him or about him. Rest In Peace Fella. .

Matters little the length of the mourning  
That instant you knew without knowing  
Emptiness with not even a last glimpse  
Another loss this mourning heart limps

“ To Len's family,

I'm sorry to learn of Len's passing. My prayers and thoughts go out to all of you. He was a childhood friend who I knew virtually all of his life. We competed in the same sports and were teammates all thru high school. I love his loyalty to his school, hometown and most important, his friends. What an example of a positive person making people feel good no matter what they may be facing. Thanks Len for a life well lived. May you rest in peace my friend. .
