“ Lisa I am so grateful to you there were many many times where we sat and talked about life. I know for myself I could come to you at any time and and talk with you about what was going on in my life and after these talks I left with a different Outlook oh my situation you just don't know how much you influence my life always understanding what it was like to go through trying times we would sit and talk in the taxi lines and then a large part of the time it was laughing and having fun joking around but I always knew I've come to you if I was feeling down and you would lift me up. You are a wonderful person inside and out you are truly a good person an honest person a straight-up person always spoke your mind that's where my respect for you comes in. You will be greatly missed but heaven got one of its best angels and I know you'll be looking down upon us all. Rest in peace..

“ Lisa was a second mother to me in a very dark time of my life. If I wasn't working at my father's restaurant, slaving away, I was always over at her place with her girls. I felt like part of the family, and I can't express how very much I needed that as a teenager. Lisa and her girls are a huge part of who I am today. Thank you, Lisa, for being there when I most needed it. Your other kid, Britta.

“ My name is Edward Setser, I was Lisa's husband for 20 years. She was my soul mate and best friend. The world seems dimmer and quieter now. She will be missed.
