“ Lee family,

Family is a big part of life and the loss of a family member is never easy. My heart and prayers go out to you all. The Lord has her now, and she has already begun her next chapter with Him for the rest of eternity. Like my mother, I too have great memories with you all and thank each and every one of you for them! Enjoy the times you still have together. God bless.

Best regards,

A.J. Darrah

“ Dear Brenda,

It was painful to hear of your mom's passing today. My heart and sympathy go out to you, Allison, Amanda & grandchildren. I will always remember her fondly. A fun memory was when she generously offered to pick my family up upon returning from a trip in her Sebring convertible. We should have made it in the Guinness Book of Records; because, miraculously, jammed in like sardines, we and all our luggage made it home in one trip. You and your family will always have my love.
