“ Deepest and most profound condolences on the loss of such an amazing woman. Lu was incredible. Funny, smart, kind and the way she loved her family was unparalleled. The world is a little bit darker tonight.

“ Our hearts go out to the Hanley and Motroni families. Little Lu will be missed by many and yet she touched so many. She set a phenomenal example for leading a giving, caring and family first life. We are all better for being touched by her. May she rest in peace and always be remembered.

“ Lucille shaped so many lives! I was also lucky to be raised by the Apple Hill Village, and the Hanleys were an important part of that. Lucille was a bright spot. Always laughing, friendly and cooking wonderful Italian food for the many guests welcomed to her home. Like Anne (Reiser) Haling, Lucille also taught me to cook a mean

spaghetti sauce with meatballs! While spending summers in Rhode Island, the Hanley's cottage was a second home for all of us. Lucille's generous spirit was a gift that will be missed by so many. All my love, Lilo (Vogel) Jaime

“ Heaven got a great one, and so did we for almost 90 years. Like so many Apple Hill'ers, Lucille had a big part in raising me. Always a role model for doing the right thing, Lucille also taught me to make delicious meatballs, sign (which I have used with my students' deaf parents), cross oneself when passing a church, and, especially, always keep the door open for back door friends. I had countless meals lovingly prepared by Lucille, who always managed to make more than enough for unplanned extras, and always made me feel as welcome as a special guest. Small but mighty, Lucille accomplished so much during her time on earth which will continue to spread sunshine through her amazing progeny. And now, even heaven is a little brightened. With love and prayer, Anne (Reiser) Haling
