“ I loved Ms Catherine (with a C as she liked to say) from the moment I met her at the Methodist Women's Circle at First United Methodist Church in Conway some 30 years ago. That was the beginning of our friendship when we made the dessert for our UMW meetings every Oct. We always made JP's pecan pie recipe.
Catherine has been a great friend. So much to admire about Catherine. I will miss the flounder lunches by the river. Catherine will never be forgotten by me and Duc.

Glad to have known her

“ Catherine used to go to my mom, Louise Altman's, beauty shop and I also had the pleasure of having her for my 1st grade teacher! It was so hard to call her Mrs. Causey because I called her by her first name! Then I had the pleasure of going to church with her! She and my MIL shared the same birthday and I think celebrated many years! I will pray for y'all as you say see you later to this sweet lady that meant a lot to me and so many others!

“ To the family of Catherine:

I have known Catherine for a long, long time and cherish her as a dear friend. She never changed. Always had a smile and good conversation. A beautiful lady with a lot of zest and a full life well lived until the end. I would also like to say "thank you" to her wonderful caregivers who took good care of Catherine. You were all special to her and contributed much to the quality of her amazing latter years.

“ To Ms. Catherine's family:
Your mother was a sweet lady and a true inspiration to me. To say my heart is broken is true, but the impact she made on me the short 6 years I've known her will be in my heart forever. She lived a good life and now she is at rest in Gods hands.
My love and prayers,

“ As I first started as a caregiver for Miss Catherine she asked me where my mama lived, I told her that my mother had gone to heaven just four months earlier. Without hesitation, she said "Well, I'll be your mama now!" I'm sure I am not the first person that she had ever said that to. Also, every time I would help her with something she would want to return the favor... she would wash my feet next time, tuck me into bed tomorrow night, or push me around the block in the wheelchair on our next outing. Catherine will always be a sweet and beautiful spirit who has enriched my life more than words can express. I love her deeply. Kimberley Wright
