“ Marylou was a true blessing to everyone that knew her. Some of my best times at BCBS were spent sitting beside her. Her hard work coupled with a great sense of humor was a great example to follow. She was a great lady, friend, and Mother. I will miss her and hold her in my heart always.

“ I am a friend of Susanne Elvis, and work at BCBS. I did not have the chance to know Mary Lou as well as other associates, but I've heard she was a wonderful person & she was highly thought of by all of her co-workers. Your family will be in my thoughts and prayers as you go through this difficult time.
