“ Dad - I have endless memories with you that I will forever cherish. Thank you for being my best friend and my person. I know you will be watching over me, my siblings, my mom and your grandkids. I hope one day to be atleast half of the person that you were; strong, smart, caring, compassionate, and overall an amazing person. I am so thankful to be able to be called your daughter. I love you with all of my heart. Love, Kim. Your babygirl.
