

Pat Meiere

November 13, 1938 - September 10, 2020

Pat Meiere formerly of Indianapolis and later Pawleys Island, SC, passed away on September 10, 2020 from complications due to Parkinson's. Born in Connellsville, PA, she studied at Presbyterian Hospital in Pittsburgh and Indiana University School of Nursing. Pat is a member of the President's Circle of Indiana University. She was an Operating Room Nurse at St. Vincent Hospital, the second largest one in Indianapolis, for 27 years. Many times she represented the hospital at national meetings of the American Association of Operating Room Nurses and twice served as President of its local chapter. In that capacity she organized a research symposium attended by nurses across Indiana. Pat was the first Board Certified OR Nurse at St. Vincent Hospital and mentored a number of younger nurses so that at her retirement, the hospital had seven Board Certified OR Nurses.

One of Pat's passions was quilting. As an active member of the Northern Lights Quilting Group, she entered work in local quilt shows and enjoyed quilting together. Many quilts are displayed at home and relatives hang a quilt of hers in their home as well.

She is survived by her husband, Dr. Forrest Meiere, son Keith of Pawleys Island, daughter Kristen, son-in-law Giacomo, and granddaughter, Olivia Francesca Gobbi-Belcredi of Carmel IN.

There will be no services because of the virus. Anyone wishing to make a small donation in her honor can contribute to Brookgreen Gardens, brookgreen.org.

“ Good memories go back many years — all the way to Pat’s introduction into the Meiere family. Aunt Lib was excited to have her son and my cousin, Forrest Jr., to bring Pat into our circle. Reunions and birthdays were celebrated at our grandmothers home in Atlanta...and she will be missed.

“ To Forrest, Kristen, and Keith,

It was an honor to care for Pat and know the Meiere Family. Forrest's unconditional commitment to care for Pat was an inspiration to me as a caregiver. Pat's accomplishments are numerous, and she lived a full life. While Forrest reminiscing about memories at the kitchen table, these stories and accomplishments came back into reality with the pictures here. Pat's smile and courageous battle with her illness are not forgotten.

My thoughts are with the Meiere Family at this difficult time.

“ To the Meiere Family,

While I have met Pat and Dr. Meiere and their daughter, I know the family best through their very sweet son, Keith. Keith has been a member of the Georgetown County Watercolor Society for many years, and as he is always caring and being so helpful in sharing his technical and computer skills with all of us, he reflects well on his loving, nurturing family. May his talented, loving mother rest in peace. Our deepest condolences to the Meiere family, Gail Joley and daughter, Dina Wells

“ Forrest,

We will all miss Pat...I have such fond memories of her at Bunco, in water aerobics and at Ladies luncheons! She was a friend to all, kind, always that sweet smile. We will remember her always.

Sending prayers to you and your family,

Love Donna & Ron

“ Forrest,

You and Pat were our first friends when we moved here, and you made Heritage feel like home. Talking to Pat, or about her, always made me smile. She will remain forever in our thoughts.

With love, John and El

“ I worked with Pat in surgery for many years. She was a sweet caring nurse to her patients & a fair supervisor to her fellow co-workers. So sorry for your loss. Jane Pratt
