“ Love her laugh and spirit. Met her through Wanda Jones her niece who adored her also. Enjoyed spending time with her and she did love animals and fishing. Biggest heart ever. You will be missed but I know you are in a better place in heaven. I know that your spirit will live with us forever. God bless.

“ My phone keeps crashing and throwing me out of F.B so I can't write what I would like to.

I considered Phyllis one of my dearest friends. When the phone rang and I saw it was Phyllis, I knew she and I were fixing to have a great talk, laughing to the point of pain. My jaws would hurt!!! She was such an honest and humble person. The very first time we met, we both had on total black. Out of both our mouths at the same exact time was, "Well Hello, I am Johnny Cash. We both laughed and we became instant friends. That was 30 plus years ago!!!! We might not talk on the phone often, but when we did, we picked up and it was always as we had just talked the day before. Of course I talked to her everyday on F.B. She absolutely adored all animals. She and I wanted to go to Tennessee and take care of the Elephants. She was so beautiful inside and out!!!! I believe and she believed in Jesus. But she and I could let the cursing flow quite, well IF it involved the hurting of a child or an animal. She wanted to see all her babies at Rainbow Bridge. I believe that is where she is now. Phyllis, I see you smiling with your Momma and Teko, Buddha, and all her babies that went before. She is smiling that broad, beautiful smile as she plays with the lions, tigers, but especially the Elephants. Now my friend, save me the seat beside you so we can gossip and get caught up. I can tell you that Trump lost the election in 2020. I can hear you saying Hallelujah and thank you Jesus. No more pain my friend, only laughter and beauty. Life passes so fast, I will see you soon Phyllis. I will miss you until then. U were loved by so many and the world has lost a bright, shining star!!! Say Hello to all my babies please. Sweetest Eternal Sleep until we meet again Phyllis. I am going to miss you my sweet friend.

“ So sad to learn our sweet, crazy, lovable Phyllis has passed. She and I spent many fun hours together at Schooner years ago and kept in touch through the years after she moved on from there. May she rest in peace after the toils of this life.

“ Oh my sweet friend Phyllis. U were too good for this

“ My mother was one of the kindest people in this world. Her laugh was something I pray I never forget, she loved to laugh and always told the best corny jokes. Anybody who was loved by her should consider themselves lucky, it was a real love like no other. I will miss her more than any words can express and all my animals will miss having their grandma who loved them so. I love you mom, I hope you are at ease and there is no more pain.
