“ Well this is my third time trying to share what a wonderful lady, I was with for one week before your passing. The last time I saw you, You thought I had come to take you home, And I wanted to so bad, because I always took you home, And you knew me, and held my hand. I just wish i could have taken you home. But I know you are home and at peace, resting. Oh in between Cards and Golfing. And your afternoon Bourbon, And of course our time with our Chardonnay. I miss your fun humorous Jabs, you had a sweet little Nice, Nasty, comeback!!! Which everyone Loved. But call me selfish, but losing you brought on another ache and hurt in my Heart, that will never be filled. Because it was you!!! Yes, I remember I was the Baby, Always to you. I love, and miss you very much. But you are always in my HEART!!!!!!!!!!!!!! Your Dawn,

“ I have been so blessed to have known Rachel and enjoyed her company these last few years. Loved playing bridge with her as she was so sharp and fun to play with. I so enjoyed her love of flowers and still have a pretty plant she shared with me a couple of years ago. Rachel has a special place in my heart. My condolences and love to Nancy and family.

“ We are so very sorry to hear of Rachel's passing. We remember her working in her yard & would ask her advice about planting. She was one classy lady & will be missed by all.
