“ Roger was an elegant gentleman with a bit of the Old World manners in him. Always cheerful and happy to be with people, he seemed much younger than his years. Many a night I enjoyed a glass of red wine served to me in a most dramatic manner by Roger. I always found him to be engaging and great company. Knowing Roger and Bonnie has added something wonderful to my life. Roger was a handsome guy right up until the end. I am honored to have known him.

“ When I visited with Roger & Bonny at their home, Roger loved to be included in the conversations and always had a smile on his face. We joked back and forth and the experience of visiting was always memorable. I am sure he will be missed not only by Bonnie and family, but for anyone who knew him.

“ Roger and my husband Bob were roommates at NHC. Someone decided they would be a good match ... and they were. Bonnie and I became best friends too. We loved Roger's humor, smile, silly grin and mostly his gentleness. Roger looked forward to Wednesdays and "hump day" with great anticipation. Everyone teased him about it. We spent many hours together and I will miss that time greatly. We shall all miss him and our prayers are with the family as they move forward without their leader. God bless you.

“ Dear Bonnie, the amount of love and compassion that you showed your husband was very moving. His obit mirrored my family coming from Lebanon and achieving the American dream, Mr. Esbar was a wonderful man who was proud of his heritage and family. He always spoke of his love for you. He will be missed. He was a good man
