“ I am so saddened to hear of Ron Morris' passing. I remember him well at Presbyterian College; he was a good friend and classmate. I want to extend my condolences to Cynthia (another friend from those years in Clinton) and the rest of the family.

“ Dear Cynthia,

It is with great sadness that I hear of the passing of my childhood friend and neighbor, Ronald. As you know, Ron and I grew up in Smyrna a few houses apart, played ball together from Little League all through high school. Ronald, as we all called him in those days, was one of the best football players to ever play at Campbell High School. His mother, Jessie, and my mother were best of friends. I regret that Jan and I have not seen the two of you more in the past several years since our paths have gone in different directions. I am thankful we were able to spend time together a couple of years ago at the reunion of the 1961 basketball team. Ronald will be greatly missed by all who knew him.

Please know that you are in Jan's and my thoughts and prayers during this difficult time.
