

## Rosemary H Toth

October 1, 1944 - November 5, 2019

Well, I did it. I finally died. It took me long enough- 75 years, 1 month, and 4 days. It was a wonderful life full of laughter, some tears and much love. Now that it's over I'd like to say thank you to those who were with me for their part of my journey. You helped me with your passion and compassion, your guidance and opinions, but most of all your friendship. I was truly blessed with the best friends and relatives anyone could ask for. My greatest blessings are my husband, Doc; my three children, Deborah, Douglas, Wendy and my favorite son-in-law, Brent; my seven grandchildren and my feline, Maggie Mae. They are my legacy to the world. I feel I left it a better place and hope all who read this do the same. And please don't forget to be good to yourself. Love Rosemary Toth.

“ We first met Rosemary standing in a line at Hamricks store. She offered my husband some of her coupons. How sweet. After talking a little found out we were moving into her development. Exchanged our phones and very soon after that became very fond of Rosemary and Doc.  
Was a special person and will be dearly missed. God Bless Doc and family.
