

Susan Glenn Parker Roberts

May 13, 1967 - July 15, 2020

Conway, SC... Susan Parker Roberts, 53, went to be with the Lord on July 15th, 2020. She was surrounded by her loving family in the comfort of their home.

Susan Roberts was born May 13th, 1967 in Conway, South Carolina and is the daughter of the late Ralph C. Parker and Eugenia S. Parker. A graduate of Conway High School and Furman University, she then began a teaching career, first as a kindergarten teacher and later as a pre-k teacher for the day school at St. Paul's Church in Conway, where she was also a member. She loved children, especially her own. Susan enjoyed many things in life including time spent with family and friends, especially family vacations to Disney World and the beach. She also loved welcoming people into her home as a hostess for almost any type of celebration. She loved Jesus, and would tell anyone that it was by his grace and miraculous power, that she continued to thrive each day despite the circumstances.

Susan is survived by her husband, Glen, their children Gregory, Andrew, and Anna Grace. She is also survived by her niece, Kira Harbridge (Kyle). She is predeceased by her parents, Ralph and Eugenia Parker.

In light of current global and local conditions, her family has elected to forego a public service and will be having a private service. They will, however, be accepting visits to the family home from anyone who would like to pay their respects.

In lieu of flowers, contributions may be made to St. Paul's Day School (710 Main St, Conway SC 29526).

“ We continue to pray for the Roberts Family. We will miss her dearly! She made such a impact on not only my sons life but also mine. She took her time with our sweet Tra she loved on him as he was one of hers. She is the one that really got him out of his shell and talking! So for that I thank her and I thank her family for sharing her and letting her be such a impact on so many students and families!!

“ *Glenn and family, We were so sorry to hear about Susan’s passing. I’ll always remember when Spencer would hang out at your house and I would tell Susan to just send him back home when she got tired of him and she would always respond so sweetly that she loved having him and he was welcome anytime. “ *Susan was my first “new” friend when I moved back home to Conway. We met at St Paul’s in the Mother’s Morning Out program. She always loved on my girls and made them feel safe. Years later, our daughters became classmates, friends, and teammates. Our families spent many nights together under the Friday Night Lights and in the gym watching our girls cheer on the Blue Jackets. Susan was a bright light in a very dark world. Her smile was contagious! Our family will never forget this beautiful angel. Our loss is Heaven’s game. RIP Susan.*

“ My heart aches for Susan's family and friends. Healing prayers to all who loved her. My memories of Susan date back to when she was a teenager and rode horses with my husband and myself. She was always the life of the horse shows and we all loved being around her vibrant spirit. Susan, please find Tissie and Ed and enjoy a great ride, I know they will be there ready and waiting.

“ It seems so unreal that she is gone. My mind races through all the get togethers and fun times she so graciously hosted. She was second mom for especially one of my children. I always knew Friday nights exactly where he was. Our only comfort is that she is in Heaven with Jesus with a new body and free of pain. We all have one more reason to make sure we are right with God and will join her one day to live forever. My heart, many hugs and much prayer continue to pour out to the dear ones she will leave such a huge void for. For Glen, Gregory, Andrew, Anna Grace and Kira....my heart breaks. May God hold and comfort each one in a supernatural way that leads us all to His arms at last.
