“ Gayle, Clark, Jaimie and Kelly,
You are all in our thoughts and prayers. I am still in a little bit of disbelief. Suzanne enjoyed spending time in her back yard/patio enjoying the ducks, swans, and sunrises and sunsets. She always had a big smile or wave for us when she saw us outside or when we spoke. It will be sad not to be able to look out our back sliding glass door and not see her there. She loved her family so much, especially her girls. My heart Breaks for J and K. That love just came out anytime she spoke about any of you. She will be missed around here.
If you guys need anything you know where we are. Call anytime. Blessings and peach to all of you.

“ Words cannot describe how lost I am without you, Mom. The Sun has set and I feel like I lost a part of my soul. I was your other half and I took after you in so many ways. You were so strong and so beautiful. You were the best mother you could've possibly been. You had a heart of gold and you always put others before yourself, especially me and Kelly. I'm going to think of you during every sunrise I see, every cup of coffee I have, and every rock song I listen to. I'll always be your little "mini me" and your "princess." Kelly and I will make you proud, I promise. I hope you're looking after both of us, and I hope you've found a badass Harley to ride in the afterlife. I'll be

waiting for the day that our own individual stars align.

Me, Kelly, Nana, Pop-Pop, Daddy, and Jake adored you miss you dearly. I'll love you forever, Mommy. Fly high, my angel.

Xoxo,

Your oldest, Jaimie Katherine
