“ Marie, Tommy & Bobby,
I was so sad to read of your sweet mothers passing. I loved all the fun times spent at your home growing up. Keeping you all in my thoughts & prayers. Marie, I have lost your contact info. I would love to get together. Give me a call if possible.

“ Ms. Jackie was a very dear friend of mine. I was so very blessed to have her for a friend. I love and miss her so very much. I did her hair for over 15 yrs. It was a joy to see her sweet smiling face every Thursday! I am not a morning person and sometimes she would call to make sure I was up. I would say "Hello" and she would say "Good morning sunshine" and that would make my day!! I could count on her to go to when I was sad or having problems and she would always listen and give me the great gift of her many years of wisdom. I will always cherish our times together. She also was very trustworthy. I knew without a shadow of a doubt, anything I told her in confidence would never go any further. Thank you Ms. Jackie for loving me and treating me like I was your own child. I love you. My prayers and love go out to her wonderful children Marie, Tom, and Bobby. Also to her precious grandchildren and great grandchildren. She is now with Leroy in heaven, and they are happier than they could ever imagine! And I believe the first thing Leroy said to her was "Shug, I've missed you so much!!!" And she ran and jumped in his arms!

“ Mrs. Brady was one of the sweetest people I have ever met. I worked for L.T. for many years and he was the best man I ever worked for. It was a privilege to have known them both, and I'm a better man, thanks to those 2 wonderful people that I had the good fortune to have known for so many years. Love and miss them both.

“ So happy Jackie made it home to be with the Lord! While we will miss her smiling face here for awhile we know that we will smile & laugh with her again soon. Thank Lord for your promises!
