“ Mr. Boyd, was my 7th grade, history teacher, the history was about S. C. History, and I loved it.

I took notes so I could go back over the lesson and Mr. Boyd, used my notebook to give us tests from.

Mr. Boyd, was a good teacher I liked and respected him for being the teacher that he was.

May the Lord bless and keep his family, in their time of sorrow.

“ Oh Patrice, I think of you and your family often. I have wonderful memories of your Dad as my professor but also as your Dad. I enjoyed our friendship and the many times I stayed in your home while we were friends. I pray that God will hold you and your family in His loving arms and you will have peace and comfort during this time.

“ Sorry to hear about his death. I remember him from the high school years when I was in the band. ..lots of fun memories. Also he was such a kind man to work for at Coastal Carolina University under college work study in the financial aid office. He taught me a couple of Psychology courses at CCU and was such a good teacher. I have thought about him many times after CCU and wondered how he was doing. Prayers for family.

“ “Mr. Boyd” as I called him at AHS, was a revered teacher and counselor to all. He was and always will be an example of a true Southern Gentleman. His students loved him dearly and will always remember his quiet,soft spoken way of talking to us. His superb bands were the talk of all who heard and saw them. He really loved, all of us. Out of school, he was my beloved uncle. Always with a smile, a compliment, and usually a story, he would remember the times you shared his genius. I say that in all sincerity. To me he was always special. His devotion to his family was paramount. His marriage was an example of true love, respect, and devotion to his bride, Aunt Gene. There are no words to express his love for his daughter, Patrice. She and Aunt Gene were his focus above all else. I loved, respected, and enjoyed them, individually and as the family unit they were. Uncle Tom will be missed by all, but please take comfort in the fact that he positively touched everyone he met and genuinely made a difference for good in our lives and this world. When I think of him in heaven, I see him standing erect and directing his marching band. Thomas G. Boyd, a truly Awesome human being.
