*My condolences to the Secret family. Though we did not know each other well at West Point, I remember Tom at Law School at UT. I was in my second year when Tom was a first year. I distinctly recall when he shared with me that he, a Texan, was going to my hometown, NYC, for an internship. I shared with him that it would be an adjustment for him to be around brash, fast talking (but slower thinking) New Yorkers. He like, in all things adjusted, very well. May it be said, "Well Done!" Be thou at peace.

“ *Liz and the Secrest family, we are so sorry to hear of Tom,s sudden passing. Know you all are in our thoughts and prayers and send our deepest sympathy. Tom will be remembered for his wonderful dry sense of humor, his easy going friendship and his legendary golfing skills! We are so glad we are able to share fond and fun memories of you both from the West Point Golf Outings...especially the wonderful tour at Pawley's Island you both set up for the 1970 class! We hope the memories the family shared with Tom will comfort you all at this sad time. We can't help but think, Tom is sharing his favorite scotch with his buddies up in heaven! Love JoAnn and Jim*

“ Liz:

You won't know me, but please know my thoughts are with you. I loved my USMA classmate Tom. He was kind, congenial, smart. If he called you a friend, you truly were. God rest his lovely soul. I already miss him.

Liz:

I'm so sorry for your loss...I remember Yom from school, where we were classmates from '70.

One small thing that I always remember was/is the fact that except for me, Tom would have been the Class "baby"! Tom was, of course, born May 29, 1945...I was born 8 days later, D-Day, June 6th!

God Bless Tom, you and your entire family.

Liz, so very sorry to hear about Thomas' passing. As we grew up in Robstown, Texas, our families were the closest of friends. "Piper" was his handle as a young man, and he was outstanding as a student and leader. His loss brings back many memories of the day and times our families spent much time together, Jim and Sarah being close friends with my parents. I am thankful to have grown up with him and send our deepest condolences.
