“ Bill was a great neighbor who was always willing to help those around him. Through his actions of building a swing set, putting together a trampoline or helping Santa to provide my daughter with a bicycle, Mr. Bill was a great pseudo grandfather with a big heart. Thank you for all the years of sharing your time and energy with us. You will be missed but thought of often through cherished memories.

“ Bill was an awesome person, a wonderful friend. So hard to believe he is gone. I will miss the conversations over endless cups of coffee, the holiday dinners, the laughter, the phone calls just to say hello. He became like a part of my family and for that I am forever grateful. I will never forget him. My sincere condolences to his family. I know he is now at peace and with his mom and dad in heaven. Indeed heaven has gained another angel. He was one of a kind! Rest in peace my good friend, until we meet again.

“ I am deeply saddened by the loss of Bill! We didn't know just how sick he was. He wouldn't let on what was really happening to him. It's so sad because we didn't know and would have wanted to tell him we cared. I believe he wanted to spare the pain. I have only known Bill since 2013. We all became very good friends and would have Bill over for dinners. He always loved the coconut pies and cakes that I made. I will always remember Bill as a sweet and kind person that would do anything for you. We will miss you Bill but I know that heaven's gates have opened wide for you. You are now in the hands of our Almighty God. RIP Bill!!! My condolences go out to his family!!

Lori:

Jeannie and I send our love..

Billy and I had good times together. We were always side by side, whenever there was a family function...worked at Waldwick Lawn & Garden during my spring break one year too..

Swimming at Greenwood Lake..

Whenever my mom would say we were going to Aunt Helen's, I couldn't wait to get in the car..

Miss him already.

Love

Bob and Jeannie

So sorry for your loss Lori. I always enjoyed stopping in at the store and talking with Bill And Howie. I remember running in to Bill at the ABG on one of your trips north. As always we had a few laughs. You will be missed my friend!
