“ Dear Family of Dave, Please know that our family was so sad to hear about Dave's passing. My parents, Jane and Olin, and my grandparents, At and Edna, thought so much of him. I only met him a few times, but I remember him being especially friendly and welcoming to me--a very loving person. I'm sorry I couldn't attend the funeral, but I was certainly thinking of you all. I wish we could see one another more often. Thinking of you during the especially sad time, Love, Rebecca Craig Robinson##imported-begin##Rebecca Craig Robinson##imported-end##

“ As a young man growing up in nearby Mullins I worked as a clerk after school and on Saturday at Razor & Clardy Company. I recall on many occasions waiting on David and another brother, I believe A.D., when they were shopping for a new wardrobe. They were always very pleasant to serve. In later years I had the opportunity to work with there brother "Luke" in the marketing department of Esso Standard Oil Co. I wish to send condolences to all the family.
