“ *Grandma. I miss you so much right now. I thank God that I got to spend those 3 nights with you in the hospital. I just don't understand. what happened . you were. getting better. after you got well again, we were supposed to go to outback, and get a blooming onion . thanksgiving and Christmas will never be the same without you. can't nobody make ham, greasy rice and butterbeans like you. you always put others above yourself. and wanted to take care of everybody. anyone who had the pleasure. of being close to you never did without. such an amazing woman you were. heaven is now even more blessed with you there. I love and miss you grandma .*
