“ I love you Dad! We will all miss you so very much. You had a great life and you have 8 darling children that all have a little part of you to carry on your legacy. What a special man, husband, and father you are. Now you will be with mom, the baby, and your family. You waited a long time to be with Nina, and so you are! You told me at the end to not let the kids forget you and that you are not afraid; those are the words that I take comfort in as I try to think of you elevated to the realm of eternity. Thanks for sending me the sign that you promise me....##imported-begin##Mari Mahoney Kurzawinski (daughter)##imported-end##
