“ *That great big beautiful smile and personality was such a blessing to everyone she meet. I still laugh at her and Dr Ellis arguing about the peanut butter on the floor. Of course neither one would every admit they had dropped it. I loved her big happy voice when she would call the office to speak to her daddy. Thank God for the many wonderful memories that will never leave you. God will never take you to without taking you through. Love and Prayers. Dana* ”

I had the distinct pleasure of working with Adrienne for a few years at Scotland Memorial Hospital. She was a beautiful soul. I remember her strong work ethic, her huge smile, and her bigger-than-life personality. With her unforgettable sense of humor, she was an absolute pleasure to know. She impacted all who were fortunate enough to have encountered her. Praying that God will wrap His loving arms around her entire family and grant them peace and comfort that only He can give. God bless you and keep you in the days ahead.
