“ *Aggie was our neighbor for several years in Pawleys Island! I always enjoyed spending time with her. We even helped her take down ALL her paintings when we thought a hurricane was coming! :) She even put one of her pieces in her dryer!!! She loved to celebrate St. Patrick's day! Some fun gatherings!!! We had many breakfasts at Eggs Up Grill, too. I have several of her photos and paintings and I will cherish them always. Rest in peace, sweet friend!*

“ My true, dear friend, Aggie... It's still hard to believe that I'm writing this, but I understand that God needed his Angel home. I thank God for giving us an opportunity to have one last dinner together and a great laugh... I can say so much right now but I'll probably run out of space. So I'll leave you with this... I thank you for loving me, never judging me, always giving me advice and excepting my son like he was yours. I'll remember all the great times we shared and I will forever love you. It doesn't feel right to say goodbye, so I'll just say, I'll see you later friend. Give Uncle Tillmond a hug for me... Love you always, Dina
