“ I have many happy memories of our teenage years going to dances at the American Base at Forss and all the parties we went to. When we got home Vicky's mum Stella used to call us Fly by Nights. They had a beautiful wedding and Vicky and Johns love for each other weathered many storms which only made them stronger as a couple. Vicky will be very fondly remembered by me. Be strong John, you have a wonderful family around you. Wish I could be there with you all tomorrow but my loving thoughts are with you.xxx

“ I miss you mom. I would give anything to have you here to yard sale with, pick out new floors with, take the kids to the park together, heck, we can even go back to leaf picking up days. You deserved to win this fight you fought for the past four months. You're the toughest woman I've ever known. I'm happy you're not hurting anymore. You are loved more than u ever realized. Rest easy but make sure you're not too far away....we need to know you're still here with us.
