“ Mrs. Dorothy and Family: We would like you to know that we are praying for you and your family during the loss of your mother. We remember her so well, and your dad too, from our days working in Conway with the Goldfinch's. She was such a sweet and Godly woman and I use to love to here them sing at funerals. Especially the song, "Building a Bridge." That was always my favorite to hear them sing. We know you will miss her but you know who holds her hand now. We are sorry we could not make it to the funeral, but know that we are thinking of you all and praying for you. God Bless!
