“ What a blessing Grandma Honey was to all of us. I am thankful to have known her. She was one of the most thoughtful people I have ever known. Without hesitation, she accepted my step children as her very own grandchildren. She always asked about them and never failed to include them as family. I love you Grandma and I miss you.##imported-begin####imported-end##

“ I would like to express my sympathy to the family. I hope you are finding comfort in the time you spent with your dear loved one. Please find comfort in the hope expressed in the Bible at Revelation 21:3,4 where it tells us that mourning, pain, and death will be things of the past. I hope you find comfort in this hope. Feel free to email me to comment or if you have questions. Again, please accept my condolences.##imported-begin##Margaret##imported-end##

“ Honey was a second mother to me. I grew up with her sons in New York. Bobby and I were best friends and I shared many a meal and spent lots of time in her home. I'm sorry I didn't get to see her and to share some memories we had over the past 45 years. Charlie, John, Bobby, Sissy, my grief for your loss is deeply felt and shared with you. I'm sorry I can't make it to the funeral but my prayers are with all of you and the rest of the family##imported-begin##Pete Alford##imported-end##

“ Although I only met "Grandma Honey" once, we occasionally spoke on the phone. We were both Queens NY natives and spoke of New York. I was very happy to meet her last Thanksgiving. She seemed to be a very happy, humorous and loving lady. My condolences are with all of you. I wish I could have gotten to know her better.##imported-begin##Anita McGraw##imported-end##

“ Honey you have been part of my life for over 40 years, as a great mother-in-law and as a "friend" you were always kind and caring. We shared a lot of laughs together and also some sad times, but it was always nice to know you were there. You have been a wonderful grandmother to my children Pandora and CG and a great-grandmother to my grandson Michael and most recently a great-great-grandmother to my great-grandaughter Harley. You left a special feeling of love for everyone who knew you. You will be missed, but never forgotten.##imported-begin##Lorelei Alford Strickland##imported-end##

“ My thoughts are with you Lindsay. I know that your grandmother was a very special person to you, your family and to so many. I've only had the privilege to meet her once, she sure enlightened a room, and by listening to you talk about her she had an impeccable personality and positively influenced many in their lives. Charlie to you and your family I am dearly sorry for your lost. GOD Bless you! Serge Payer##imported-begin##Serge Payer##imported-end##
