“ To all the family of Mrs. Shelley, We are sorry to read of her passing and send our condolences. My wife Eloise Hendrick Dusenbury and I worked along side of her at Conway Hospital in the 70's. We always loved her for her kindness and care she gave the patients. Thought a lot of her. She was a very good nurse, witty, and wise. Enjoyed working with her very much. I know she will be missed. God bless you in your time of this loss. Sincerely Al and Eloise Dusenbury.

“ Roland, I just read of your Mother's passing, I am so sorry. It is so hard to lose a parent. There is definitely a void in your life. My Mother passed many years ago and I still gave times I think I must call Mama to share something with her. I remember hearing my Daddy speak of what a nice person and such a good nurse your Mother was. She had been so good to him in the hospital at some time and he never forgot how good and caring she was to him. That just goes to show that we never know how we impact the lives of others. I will be praying for comfort for your family during the days to come
