“ As my mentor and supervisor for many years at AVX, nobody taught me more than Al about the job and how to survive at AVX. That knowledge was used when Al left AVX and I filled his job. My wife, Cathy, knew Al even longer than I did as she was working with Al at AVX during my USAF days ('77-'81) at MBAFB. Thanks for your assistance, Al. A kinder soul and a better man we have never met. Your friends, Mitchell & Cathy Huber##imported-begin##Mitchell & Cathy Huber##imported-end##

“ We were sorry to read of Al's passing. My husband, Jim, and I both had the privilege of working with him at AVX. We have a miniature rose climbing on our fence that he gave to us about 25 years ago. He was a generous and caring person. Our condolences to the family.##imported-begin##June Farrar##imported-end##
