

Alan Lester Horey

January 11, 1949 - December 7, 2025

Alan Lester Horey, 76, passed away after a sudden battle with AML on December 7, 2025. Born in Buffalo NY to Lester and Pauline Horey, both deceased, Alan lived a life full of purpose, generosity, and joy. Over the years he made homes in Kenmore, NY; Ledyard CT; Groton, CT; and Myrtle Beach, SC, forming lasting friendships everywhere he went. Alan proudly served his country in the U.S. Army, an experience that shaped his sense of duty, patriotism, and integrity. Following his service, he built a distinguished career as an engineer with Electric Boat in Groton, Connecticut, contributing his skill and dedication to work he deeply valued. Later, as the owner of Professional Financial Services in Groton, he extended his commitment to helping others build stability and confidence in their futures. Family was central to Alan's heart. He is survived by his wife, Mickie Zada; his son, Jarad Horey (Katherine Horey); and his stepson, Ryan Phelan. He leaves behind five beloved grandchildren—Theresa and Jillian Horey, Alexis, Parker, and Cameron Phelan—who brought

him immense joy and pride. Alan is also survived by his siblings Thomas Horey, David Horey, and Carolyn Gibb, each of whom shared in the stories, humor, and warmth that made him so special.

Alan embraced life fully. He was an avid golfer, an enthusiastic boating and fishing companion, and someone who delighted in simply being outdoors. Known for his sense of humor, quick smile, and natural ease with people, he truly never met a stranger. His friends and family remember him as a loyal companion, a warm presence, and a man who lived with a spirit of enthusiasm and appreciation for every day.

He will be deeply missed by all who had the good fortune to know him.

A Celebration of Life will be held on his birthday, January 11, at his home in Myrtle Beach SC.

“ There are never the right words, yet simply know we all share in these moments of pain, sorrow, loss... and yet we can reflect and smile at Al's wit, sense of adventure along the journey.

We were part of Al's Ledyard/ Groton life; sharing in kids games (Ledyard High School), family parties and gatherings. Graduations, weddings, and a cup of coffee.

To all whom his life touched, our sincere condolences. Rest easy Al

“ Mick, I don't know what to say. I can't imagine the pain you must feel, but I am so glad you and Alan were blessed to experience true love. I just wish it had been longer. I am sad that I never met him, but I shared in your joy through your FB posts and could feel the love. Mick, you are the strongest woman I know, and you will definitely be okay in time. I hope you can find comfort and peace in all the precious memories you have. Cry because he's gone, but smile because of the time you had together.
