“ Craig was a great friend we golfed together, played poker, and along with Mary, and my wife had some very enjoyable times together. He will be sorely missed. He was a credit to the community, had many friends in the community who I know will also miss him. Bob & Diane Franczak

“ My heart goes out to Mary and all their friends in Myrtle Beach. Craig was my oldest cousin, and even though I knew he was fighting valiantly, his death was still unexpected. Thank you Craig, for reaching out and thinking of others even when your own fight was so taxing. Rest in peace.

We'll love you always,
Rebecca

“ Our heartfelt condolences to Mary and all family members. Craig was the real deal. He was a great friend. Craig's love for, and devotion to Mary are inspirational. He was an avid golfer and an excellent player. It is safe to say that second to the Chamber of Commerce he was Myrtle Beach's biggest booster. He and Mary were always gracious and generous hosts. Craig was pretty much the on-site "concierge" for the many visiting "Northerner" golfing friends who would make the Spring pilgrimage to MB. So many happy, fun filled memories. Craig dealt with his medical issues with grace, dignity and courage. We feel blessed to have had him in our lives. We will always remember him dearly and miss him every day.

“ Craig's life was full and happy...with Mary and family, golf and travel, friends and sports...and lots of sunshine. He endured his illness and heartache of the past few years with grit and grace. His death was sheltered with love and compassion.
Rest In Peace, Craig. Thank you for the privilege of your friendship....and for all the love you have given to my dear friend, Mary.

“ Our thoughts and prayers are with Mary and her family, as well as with Craig’s family, on the Keefe side and the Randall side. Craig was always looked up to, both for his height and his personality! He was kind and considerate! We enjoyed boasting that he was our cousin when he was a basketball star on the high school team, and when he went off to college in Maine to play for the team there. Although he was an only child, he had 19 first cousins on the Randall side, alone, many of them living in town, Lebanon, CT.

Mary has been a nice addition to the family, but everything to Craig! We are so thankful for the support of her family, especially at this most difficult time!

Lovingly,

Craig will be remembered by many at Hoosac Valley High School in Adams. Well liked by students and staff alike. He served as assistant principal when my husband Chuck was principal. They were a happy and awesome team. Blessings to Mary and my sincere sympathy to his family and friends. Rest In Peace, Craig.
