“ My sincere sympathy to the Lucas family. I was very surprised to see Mr. Lucas' obituary in the paper. I called him about a week before he died. He said he had not played golf for a week or so, some tests had been done and he did not have the results. Offering to help in any way I could, he said his golf buddy would keep checking on him. Knowing Mr. Lucas only about three years, I was very impressed with his physical stamina, easy going personality and quick wit. It was a real pleasure to know him.##imported-begin##Geri Storm##imported-end##

“ We started golfing with Mr. Al in 2000. He was a GOOD friend and an inspiration to us all. We'll never forget the time we were playing at Wicked Stick, he was taking a practice swing on the first tee box, some how let go of his club and it went flying into the lake! Fortunately it didn't sink and we were able to retrieve it for him. We will miss him tremendously both on and off the course.##imported-begin##Linda and Clem Hauanio##imported-end##

“ *Mr. Al was my golfing buddy and my friend since 1997 when we met at the golf course at Whispering Pines. We shared many hours together and I will cherish the memories we made together. He has been a mentor; father figure; best friend; and a wonderful golf partner for many years. I loved him and I will miss him. It's been a pleasure to have had him share his life with me.##imported-begin##Stan Smith##imported-end##*

“ *We met Mr. Al whilst playing golf during our visits to Myrtle Beach and appreciated his dry sense of humour - he will be greatly missed. The best tip he ever gave us was "When hitting out of a sandtrap into the wind, always keep your mouth closed!"##imported-begin##KEITH AND JEAN MILLER##imported-end##*
