“ Uncle Al may you have the same peace now that you had when you and Toots visited us on the farm in Claremont NH. I was just a kid then but I knew you loved it there. "Men may die but reputation lives on". I just know you have already pulled a joke or two on a few unsuspecting angles! Thanks for making me laugh when I was around you. With Love, Roland I am a firm beleiver that people come into our lives for a reason and I have been truely blessed to have known Uncle Al even if it was for a short time. Al was the kind of man that even if your encounter with him was but a moment, your memory of him will last a life time. He touched hearts everywhere he went with his kindness and laughter and I will always remember him in a special way. To Aunt Toots, our thoughts and prayers are with you. May the Lord bless you with His peace and may He forever shower you with His grace. With Love, Lisa###imported-begin##Roland & Lisa Ferland###imported-end##

“ Al,you will missed by all of us.We're glad we had the chance to get to know you and Connie and that you were part of our family! Al was definitely the most gracious person-never an unkind word. And the way he could be in pain and hold his head up with a smile and no complaints,just good old Al! I really admired that special quality-the nonstop optimism! And a chuckle that lit up a room and could keep us all in stitches! We loved sharing our holidays together! Thanks for letting us share in soooo many wonderful memories. Our thoughts and prayers are with you Connie-we truly love you both!###imported-begin##Kirk and Jennifer Creasman and Family###imported-end##

“ I believe I was only 10 yrs. old when I first met "Uncle Albert" - he and Toots came to visit the farm in NH on their honeymoon. In the 50+ years that I have known him, I never heard an angry word or criticism of anyone from him, and that's something to be admired. Always ready for a card game and willing to give anyone the shirt off his back, he, along with patient Aunt Toots, who has lovingly given years in caring for Uncle Albert, have to be two of my favorite and most admired people in this world. Most memorable quote, don't worry about a thing; "I know a cop in Chicago." Alan and I will always treasure the time we had with you in Las Vegas last October.##imported-begin##Yvette MacBain##imported-end##

“ My brother, Al Our sincere condolences go out to Connie, Rene, Denis and Donald as well as their family at this time. You were a "one of a kind" brother and our mom broke the mold after you were born is what she used to say. You were a kind and goodhearted person who was always smiling whether you were in pain or not. I will always remember the gatherings we used to have on Lake St. and also you "playing the guitar" and singing your favorite song which was "Your Cheating Heart". We are both thrilled that you were able to take a trip to Nevada with all the family who all love you very much. You will always be remembered in our hearts and we shall meet again in heaven someday. ps I will bring some popcorn with me###imported-begin##Rita and Frank###imported-end##

“ There are not words to express my sorrow at the loss of my Uncle Al; but there is no end to the words I can find that describe my many great memories of him. I am flooded with so many memories; of times spent with three or four of my aunts and uncles together where Uncle Al would play tricks on us children. My memories are of my uncle who always was smiling, always happy, and who always made me and everyone smile too. The proverbial joker he always would bring us to laughter. During the many years I visited with him I remember watching so many old westerns. I always admired and loved how he kidded with my aunt Toots. Some many of my own best memories are of time spent with Uncle Al, from times spent on Lake Street, to many visits with him on Tower Hill Road. I am so happy to have at least been able to stop by and visit him on one trip south; and now truly wish I had been able to visit more often. Wherever I am though, I need merely think of Uncle Al to bring a smile to my face; and now a tear to my eye knowing he is truly at peace. Aunt Toots I LOVE you, as I have loved you and Uncle Al for all these years you were mom and dad to me in the absence of own parents. Uncle Al has and shall forever be in my heart. I am so thankful for time I was able to spend with Uncle Al. To my Aunt Toots and my cousins, Rene, Dennis, Donald, and their families, I offer my heartfelt condolences. May you all find peace, may time help your hearts to heal, and Uncle Al loved you all so much, this I know in my heart as I know how much we all loved him. “ Uncle Albert will always be remembered as a very gentle, easy going man. His hilarious stories that he told were one of the many wonderful memories I will always cherish. I absolutely loved going and visiting them. We would break out a deck of cards and play to the wee hours of the morning. Being with him was throughly enjoyable. May he rest peacefully now. “ *What a wonderful and loving man. I will always remember our trips to RI where pep got up early and did the Dunkin Donuts run with Jason. I remember several trips to SC where his sister called him "fat face" which made me just crack up. And how could I forget all those John Wayne cowboy shows that he made up watch, he he. His infectious laughter and jokes and his loving personalty are just a few of the many wonderful memories I hold dear. He will always have a place in my heart and will truly be missed.
