“ To the Dolnosich Family: My sincere sympathy on the passing of your dad. He was my best friend. We were friends for over 40 years. It's sad that both your mom and dad are gone. As time passes you will think of something they . said or did and it will bring a smile to your face. I don't know whether he ever told you but during a prison riot he saved another correction officer's life, who was about to be stabbed by an inmate. I guess he thought he was superman. I will always think of your parents fondly. Will miss our fun conversations. Farewell to my best friend. Angie
