“ Dear Uncle Al...your spirit, your liveliness, and your sense of fun is going to be wholeheartedly missed. We didn't see each other that often, but you were always so openhearted, loving and kind. You were not only the life of the party but usually the organizer of it! May your spirit live on in the hearts of the "oh-so'many of us" you made smile, laugh, and just enjoy life more.

Heartfelt condolences to Aunt Flo, the cousins, and their spouses and children. Love, acceptance and peace to you all!

Wholeheartedly,
Karen Noel

“ My heart goes out to you, Flo & to your children. I met a lot of people when I lived in Tradewinds, but loved no one like you & Al. Anytime I needed company I could come down the walk and be greeted with hugs & kisses. Al was a gentle man & a loving person. Also, a great cabinet builder. He build several things for me to move off& leave. My heart is broken for all of you. I know how much I miss my husband who has been gone almost 25 years, & Al reminded me a lot of him. Sure wish I could there. And Al aged so well& was still one handsome man. My love to all the family.

“ Beautiful blue eyes, that's what we would call him. Patrick and I visit Florence and Albert every time we would go on vacation in Myrtle Beach. The last time we saw each other, what a wonderful time with Martine/Guy, Danielle/Richard, we had pizza, he would sing and of course Albert loved to speak French. An amazing and caring man. My husband always talks about his uncle from Myrtle Beach. We will miss you Albert! Our sympathies to the family. Dear Flo you are in our prayers. Repose en paix Albert... “ So glad that I got to see them in July with my friend Tom who were both from the neighborhood. Spent so much time on Hull Street and the door was always open. Al installed the siding on my parents and aunt's house on Laval St. He did amazing work with kids at St. Anne and Pop Warner. He got me involved with the Athletic Association where I eventually succeeded him as president. He will be missed by everyone who was touched by him.

“ So sad to read of Al's passing...

Enjoyed my many times visiting with Al and Flo at the house on Hull Street. My time with Al assisting with St. Ann's baseball and keeping stats for his waterbury knights are some of my favorite memories. And there was no one better to go with to see the Montreal Canadians play in Hartford than Al. Was a all around great person and Friend.

“Cousin Al, always laughing, joking, teasing and smiling. I remember weekends at pepere and memere's house on Orange Court when all the Laliberte's would gather and sing, dance and have a grand old time. Cousin Al and his brothers playing the violin, Uncle Lionel and pepere singing french songs. Al stopping in on East Main St to visit with my parents and after my mother passed popping in on my father and reminiscing about their childhood together. Al and Flo and all his brothers and wives visiting his cousins on holidays, trips to Canada, dancing the jig, swinging Aunt Penny and Aunt Fernie around the dance floor. Always bringing his contagious smile and warm heart whenever he went. He will always have a special place in our hearts and always bring a smile to our face's forever. He is in heaven now, gathering all that have passed before him, smiling, hugging, singing, dancing and organizing a big party that will never end.

Al & Flo were two of our favorite neighbors when we lived at the beach. Al was always willing to lend a hand with a smile. We enjoyed the times we went out to eat and have a good time. I'm sure Al will be missed by the residents of Tradewinds II.

“ I was so saddened to hear of the passing of our beloved cousin Al. He was an amazing person. I have so many memories of the fun we had at our reunions. He also was a very special person to our parents. He loved my Dad and named him the "Duke" after John Wayne. He was always smiling and happy and most of all he loved his family. Family meant everything to him. I have no doubt that he is in heaven now organizing a family reunion in the sky. So the next big thunderstorm that happens you can bet he accomplished that! They will Polka all night! He will be truly missed, gone but never forgotten. Rest in peace Albert and dance the night away.

“ I remember being a small child, maybe 6 or 8 years old, and going to the beach with my parents, my brother Frank, and Flo and Al Laliberte. Al sang a song entitled "Carol" something to me the whole way to the beach in the car and made me feel like a million dollars! He was such a fun-loving and happy man.
