“ As a friend and relative of this precious Angel, I send my love to you all. My relationship with you and Mrs. Albertine stretches through the ages. I believe that I loved her as much as any one I have ever met. I had not seen her lately and that I am at a lose for, but every time I ever saw her she was smiling and made you feel like you had not missed any time in her presence. I know she will be greatly missed. Oh the rejoicing in heaven. She gets to reunite with all those who she missed so much back here. The greatest part will be when she meets Jesus at the thrown. I look forward to seeing her once again with her beautiful smile and dancing shoes on. You have our prayers as you try to get through this time of sorrow.
